## Winnakee Land Trust

For more than 20 years Winnakee has built a reputation for working closely with landowners and municipal boards to serve our communities and permanently protect thousands of acres of beautiful local land from development.

We are committed to ensuring the quality of life is sustained and improved in northern Dutchess. We own two local parks—Burger Hill in Rhinebeck and Winnakee Nature Preserve in Hyde Park—and we protect the Thompson-Mazzarella Park in Rhinebeck with a conservation easement. We are continually working to establish a network of public-access trails along the Hudson and inland to our villages and parks.

**Your support is vital to Winnakee's success!** Help us to save the open space, historic farms, and woodlands we all cherish.
